Community Press Release

Distribution Date 1/7/2010
Information Good Until: 1/31/2010

###

GIVE BLOOD GET BEER

Scoreboard Pub; Jimmy Mac's Roadhouse and Cascade Regional Blood Services
Partner for community blood drives

Give blood, and Cascade Regional Blood Services will give you a coupon for beer! In the next two weeks, the following Federal Way Businesses will be hosting a Pint-for-Pint Blood Drives: Scoreboard Pub on Friday, January 15, from 11am-1pm and Jimmy Mac's Roadhouse on Friday, January 22, from 11am-1pm. Registered donors will receive a pre-paid coupon good for a pint of beer at both of these locations on the day of the blood drive.

Cascade Regional Blood Services holds Pint-for-Pint blood drives throughout the year at community restaurants in South King and Pierce Counties. "Having blood drives at local restaurants is a great way for us to partner with businesses in our local community" said Dan Schmitt, Director of Donor Resources at Cascade Regional Blood Services.

This is the second year Cascade Regional Blood Services has partnered with community restaurants in South King and Pierce Counties for Pint-for-Pint Blood Drives. This program started at The Swiss in Tacoma in September 2008. This year, several new drives have been set up, including The Spar in Tacoma on January 22, 1:00pm-4:00pm.

To sign up for these blood drives or for more information, please call CRBS at 1-877-24-BLOOD.

Cascade Regional Blood Services has been serving South King and Pierce Counties for over 60 years. CRBS is the sole provider of blood and blood products to MultiCare Health System and Franciscan Health System.

For more information about Cascade Regional Blood Services or blood drives, contact Lauren Buchholz, Marketing & Community Support, at 253-383-2553 or visit our website, www.crbs.net.
