CASCADE REGIONAL BLOOD SERVICES HOSTS ANNUAL DONOR APPRECIATION EVENT

The Who's Who of [blood donation](#) in Pierce/South King Counties, were honored by Cascade Regional Blood Services at the Museum of Glass, International Center for Contemporary Art, Thursday evening. Over 300 donors and guests attended the event.

Sponsors: Baxter Transfusion Therapies and Secure Biologics, two companies that work closely with Cascade in blood collections and cryobiology, respectively, were also present to welcome and thank attendees.

Donors and guests enjoyed live demonstrations in the Hot Shop with guest artist Boyd Sugiki and his team along with docent Sheldon Levin. Cascade's Board of Directors and community partners were also present to thank donors.

Cascade's top donors include: Bob Annon, 52 gallons (Apheresis platelets), Ron Crelling, 50 gallons (Apheresis platelets) and Joel Stumpf, 36 gallons (whole blood). Mr. Stumpf has been donating blood for over 40 years to achieve that milestone and he is our all time highest whole blood donor.

Cascade Regional Blood Services' locations are open Monday through Saturday. Call 1-877-24BLOOD for an appointment or to find the nearest [blood center](#) or [blood drive](#) in your area.

Cascade Regional Blood Services provides a constant, safe, cost effective supply of blood and blood components to the communities it serves.
